

**Tru-Flow™  
Water Pumps**

**Heavy Duty Water Pumps**

***A complete product line of heavy duty water pumps at NAPA's competitive pricing.***

***New pumps manufactured to ISO/TS standards***

The new NAPA Tru-Flow Heavy Duty Water Pump product line offers high quality pumps at competitive pricing, with full coverage, so you can be sure to get the parts you need. NAPA Tru-Flow Water Pumps are constructed with premium alloy materials, computer-tooled, and fitted with a precisely balanced impeller to ensure OE fit and function. Each pump undergoes a 100% functional test of seals and bearings, and a 100% leakage test for both the casting and assembled water pump.

***Install confidence. Install NAPA Tru-Flow Water Pumps.***
